Dec 31, 2010 (Dec 30, 2010 to Jan 1, 2011) Mars Trine Ven

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

Jan 3, 2011 (Dec 16, 2010 to Mar 9, 2011) Sat Oppos MC

A new step in maturity and independence is made at this time. This change is usually a difficult one to make because it involves breaking old habits and associations that you have become

accustomed to.

Jan 5, 2011 (Jan 5, 2011 to Jan 6, 2011) Mars Trine Plu

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time: perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

Jan 5, 2011 (Dec 29, 2010 to Jan 12, 2011) Jup Oppos Ura

Spontaneity and freedom are the key issues during this time period. Your mood is very upbeat. You are funny, somewhat eccentric, and you will sometimes act out of character. All of this is simply because you are less inhibited and cautious than usual, and you feel good.

Jan 7, 2011 (Jan 7, 2011 to Jan 8, 2011) Mars Sxtil Nep

This is not a period when you feel like pushing your own interests, or in which you are especially energetic. Other people's concerns and needs receive more attention from you now, and you are more motivated to do something which serves others, perhaps a group you are affiliated with. Cooperating with others for some idealistic purpose is very satisfying for you at this time.

Jan 10, 2011 (Jan 3, 2011 to Jan 16, 2011) Jup Trine Asc

This is a good time for you. Your ability to express yourself confidently and openly wins you the respect and admiration of others. You can promote ideas and plans that you believe strongly in and, surprisingly, others do not resist you now. They quietly accept your proposals and ideas, and even provide some support.

Jan 10, 2011 (Oct 1, 2010 to Feb 5, 2011) Ura Oppos Ura

This astrological influence occurs some time between the ages of 38 and 46, and occurs only once in your lifetime. You have reached a kind of halfway point in your career and pursuits, and you seek a high level of freedom and creativity in your life. This is an excellent time to begin incorporating creative elements into your life that you previously have not had the time for.

Jan 12, 2011 (Jan 11, 2011 to Jan 13, 2011) Mars Trine Ura

Increased physical courage and a strong sense of adventure combine to make this a very interesting time. You need to do something innovative, daring, unusual, liberating, exciting, and challenging. You are inclined to act on some of the wilder impulses and desires you feel from time to time. You crave stimulation. If you have an inventive streak, you could make a startling discovery or breakthrough now.

Jan 13, 2011 (Jan 13, 2011 to Jan 14, 2011) Mars Oppos Asc

Your relationships have a very competitive, aggressive quality at this time, and conflicts over power and dominance may erupt. You won't compromise yourself to please anyone. Disputes in your marriage or other close partnerships are likely. On the other hand, you may begin a relationship now, boldly taking the initiative to pursue someone you want to be with. You will come on strong to this person, but he or she might just love it!

Jan 21, 2011 (Jan 21, 2011 to Jan 22, 2011) Mars Sqr Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during this period.

Jan 25, 2011 (Jan 25, 2011 to Jan 26, 2011) Mars Sxtil Sat

Self-discipline, training, persevering through a dry or slow period, and working quietly or in meager circumstances are themes in this time period. You have the ability and stamina to concentrate, to work carefully and thoroughly, and to accomplish something modest, yet of real practical value and substance now.

Jan 29, 2011 (Dec 28, 2010 to Feb 19, 2011) Ura Trine Asc

This is an upbeat, refreshing time period. Progressive changes in your life and relationships make this an enjoyable, exciting time. The changes are not likely to be extraordinary in scope, but a definite enlivening of your relationship to others and the world in general is evident.
